

South San Joaquin Irrigation District
2016 MASTER ACCOUNT AGREEMENT

Master Account ID: _____

Agreement No.: _____

We, the undersigned, agree to group the parcels listed below into a single Master Account for the purpose of managing and monitoring this year's 40" allotment of water. We understand that individual parcels within the Master Account can use more or less than 40" as long as the Master Account group as a whole uses no more than 40". We also understand that this agreement does not change who is billed for the water consumption on the parcels listed below. In this agreement, "Irrigator" is defined as whoever makes the decisions about how much water to use, and when to use it. "Irrigator" may be the owner, a tenant, or a hired manager. In order to be included in this Master Allotment Account, all the properties listed below must be irrigated by the same Irrigator. The owner's consent is required for each parcel.
